PURPOSE: The purpose is to obtain industry and external stakeholder
feedback regarding the NFPA 805 licensing reviews.

CATEGORY¹: This is a Category 2 meeting. The public is invited to participate in
this meeting by discussing generic regulatory issues with the NRC
staff at designated points identified on the agenda. The agenda
will be posted at a later date.

TELECONFERENCE: Interested members of the public can participate in this meeting
via GoToWebinar with toll-free teleconference. To use
GoToWebinar with telephone bridge, communicate with the
meeting contact to obtain the information (i.e., link, telephone
number, and passcode).

MEETING CONTACT: Jonathan DeJesus, 301-415-8539, Jonathan.DeJesus@nrc.gov
Interested stakeholders should contact the meeting coordinator by
October 22, 2013, indicating their intention to attend the public
meeting. This will ensure that sufficient copies of meeting
materials are available. Also, this will allow the meeting contact to
register interested stakeholders in the NRC's visitor access
system which will save time when interested stakeholders go
through NRC security.
